

Willow Bank Lightnings at the North American Championships and WJM

Ed Eagan, Jennifer Dick, Jeff Shaw, Federico Meira, and Pete King at the Lightning Masters Championship at the Rochester Yacht Club.

This year the Lightning Women's, Juniors' and Masters' North American Championship Regatta was held at the Rochester Yacht Club. Ed Eagan and Federico Meira skippered their boats and Jennifer, Jeff and Pete were there to crew for them. Going on now is the Lightning North American Championship. Ed Seyerlein is skippering his boat, AJ Murphy - yes, the same AJ who was a Willow Bank Yacht Club sailing instructor, is sailing his dad's boat, and John Steiner is crewing for Richard Hallagan. We were so excited to see so many Willow Bank Lightning sailors at the regattas. The Lightning is a fun boat, and we are always looking for crew members for our Sunday afternoon races. So e-mail Jeff and he will find you a boat to sail on. Jeff's e-mail is jgs1205@aol.com.
